<u>SF 409</u> – Economic Development Authority Tax Related Changes (LSB 1207SV) Analyst: Jeff Robinson (Phone: (515) 281-4614) (<u>jeff.robinson@legis.iowa.gov</u>) Fiscal Note Version – New

Description

<u>Senate File 409</u> relates to the operation of the Economic Development Authority (Authority). The Bill:

- Allows the Authority to assess, collect, and retain fees from businesses and individuals seeking and receiving financial assistance through the Authority. The fee provisions of the Bill are effective on enactment and apply to agreements entered into on or after the effective date of this Bill. The new fee authority includes:
 - A fee for businesses and individuals that receive financial assistance from the Authority under lowa Code chapters <u>15</u> and <u>15E</u>. The fee amount is to be determined by the Authority based on the Authority's cost of administering the programs.
 - A fee for use of the Authority's Immigrant Investor Regional Center.
 - A fee of \$500 due prior to the issuance of tax incentives under the High Quality Jobs and Enterprise Zone programs.
 - A fee equal to 0.5% of the value of tax incentives claimed under any High Quality Jobs or Enterprise Zone agreement where the agreement has an aggregate incentive value of \$100,000 or more.
- Allocates to the City Development Board any fees collected by the Board for applications and petitions submitted to the Board. The Board is to use the fees collected to reimburse the Authority for the administrative expenses associated with Board operations. Currently, if any fees are collected by the Board, they are deposited to the State General Fund. This provision is effective in FY 2014.
- Increases the annual aggregate cap on the total dollar volume of tax credits that may be awarded under several Authority tax credit programs from the current annual cap of \$120.0 million to a new cap of \$185.0 million. This provision is effective retroactively to include the FY 2013 cap.
- Permits tax credit awards that are declined by the receiving company within one fiscal year
 after the award is made may to be reawarded to other companies without impacting that
 year's tax credit cap. This provision is effective retroactively to include FY 2013 awards.
- Changes the tax credit allocation to the Brownfields/Grayfields Program from the current requirement of not more than \$5.0 million per fiscal year to a requirement of at least \$10.0 million per fiscal year. This provision is retroactively effective to include FY 2013.
- Alters annual tax credit cap allocations for the Qualifying Business and Community-Based Seed Capital Funds Investment Tax Credit (\$2.0 million per year) and the Innovation Fund Tax Credit (\$8.0 million per year). Current law requires the full amounts be allocated to these two programs. The change will allow a lesser amount to be allocated if the Authority determines demand is not sufficient. The provisions are effective retroactively for FY 2013.

Background

The City Development Board is created in Iowa Code section <u>368.9</u>. The Board receives, reviews, and approves or dismisses petitions and applications for city incorporation, discontinuance, or boundary adjustment submitted to the Board by a city council, a county board of supervisors, a regional planning authority, or 5.0% of the registered voters of a city or territory involved in the proposal.

The Authority provides office space and staff assistance to the Board and the Authority is required to budget funds to cover expenses of the Board. The Board receives legal assistance provided by the Attorney General. The Board consists of five members appointed by the Governor subject to confirmation by the Senate.

Assumptions

- 1. With the annual aggregate tax credit cap raised from its current level of \$120.0 million to \$185.0 million effective in FY 2013, the Authority will approve projects in FY 2013 totaling \$185.0 million and will also award the full annual cap each succeeding fiscal year.
- 2. Based on a Department of Revenue analysis of the redemption of tax credits under previous awards, each fiscal year's additional \$65.0 million in tax credits will be redeemed over a 13-year period and the redemptions will total \$30.6 million (47.0% of the amount initially awarded and counted against the aggregate cap). Actual tax credit redemptions will not total the full \$65.0 million awarded due to:
 - Awards that are later declined.
 - Companies not meeting the requirements of the agreements, resulting in reduced tax credits earned.
 - Companies with insufficient tax liability to fully utilize the tax credits awarded.
- 3. The provision that allows the Authority to reaward tax credits that are declined before the end of the following fiscal year will result in an additional increase in annual awards of \$25.0 million, beginning in FY 2014. Redemptions of each additional year of annual awards will equal \$11.8 million over a 13-year period (47.0% of the amount awarded). This provision will first allow tax credit reawards in FY 2014.
- 4. Based on assumptions one through three above, the Authority will award \$185.0 million in tax credits for FY 2013 and \$205.0 million for future fiscal years. The fee assumption is based on the same 13-year pattern of award redemption and the assumption that 47.0% of awards are actually redeemed. The estimate includes an assumed \$30,000 each year, beginning in FY 2014, for the \$500 in preaward fee, the lowa Code chapter 15 and 15E assistance fee and the Immigrant Investor Regional Center fee.
- 5. The City Development Board operation costs equal approximately \$60,000 per year. The fiscal impact assumes \$36,000 of that amount (60.0%) will be recovered each year through fees charged to local governments and others filing petitions and applications with the Board.

Fiscal Impact

<u>Senate File 409</u> has two separate fiscal impacts. The first impact relates to fees charged by the Authority and the City Development Board. The second impacts the State General Fund by increasing the future redemption of business incentive tax credits.

Increased fee revenue, impacting the Authority:
